Shallotte Junior Woman's Club
Post Office Box 2073
Shallotte, North Carolina 28459

We are thrilled to announce the Shallotte Junior Woman's Club's 6th Annual Charity Bash! This year's event will be held on Saturday, May 31, 2008 with the time and location to be determined. For the second consecutive year, we will be entertained by the very popular [Craig Woolard Band!](#)

Our club was started in 1973 by a group of women dedicated to improving the community through volunteerism. We are 40 members strong and work diligently to provide volunteer and financial assistance to local schools as well as numerous service and non-profit agencies. These include Brunswick Family Assistance Agency, Brunswick County Literacy Council, Ronald McDonald House, South Brunswick Food Bank, Boys and Girls Home of Lake Waccamaw, Relay for Life, Hope Harbor Home, Lower Cape Fear Hospice, Victory Junction Gang Camp and many others. Our club also provides scholarships to high school seniors and sponsors an annual Arts Festival with cash prizes for local students.

ANY contribution is vital to the success of our fund raiser and is greatly appreciated. Thank you in advance for your support of our club and the community. With partners like you, we can truly make the South Brunswick Islands area a better place for all!

Sincerely,

SJWC Representative
